

# We Should Create a TV Show

By Dong Kang & Sam Raykhman

# But What Kind of TV Show

You would think that streaming network show originals would have the edge nowadays; however, the information we collected says otherwise.

# How Do We Proceed?

# Amassing the Data

We web scraped our list of TV shows from IMDb.

We gathered more specific information on each TV series thru accessing OMDb and TVMaze API Databases

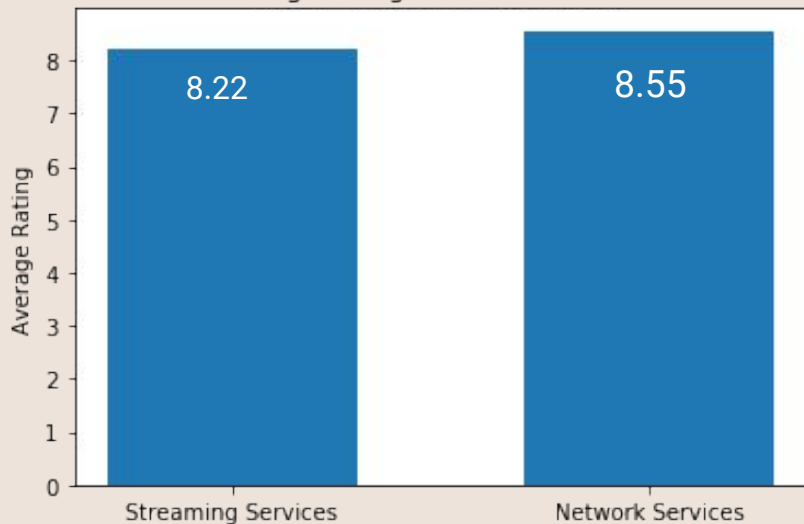

- Title
- Nominations and Awards (Award Exposure)
- Ratings
- Genre
- Seasons
- Streaming Services
- Network
- etc...

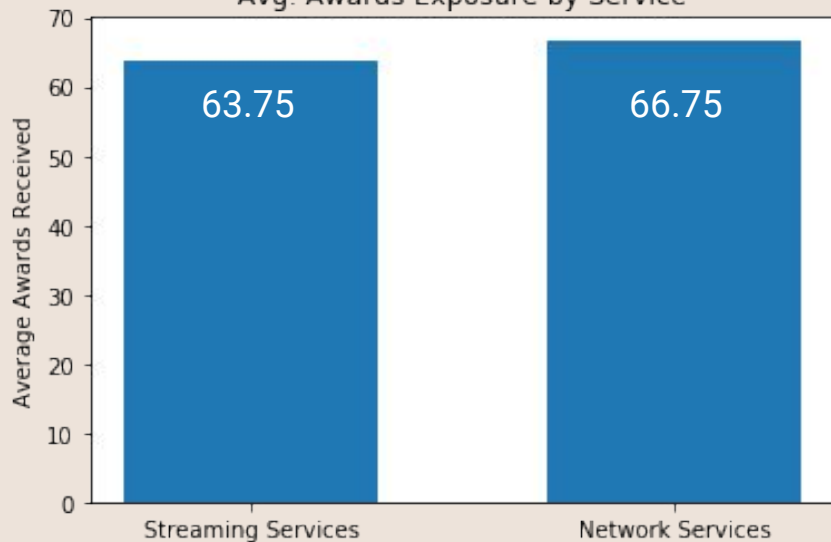

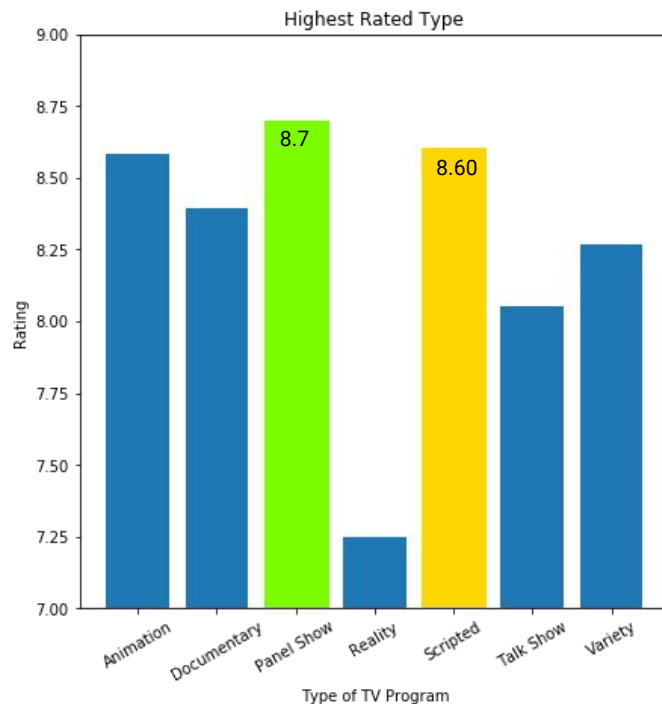

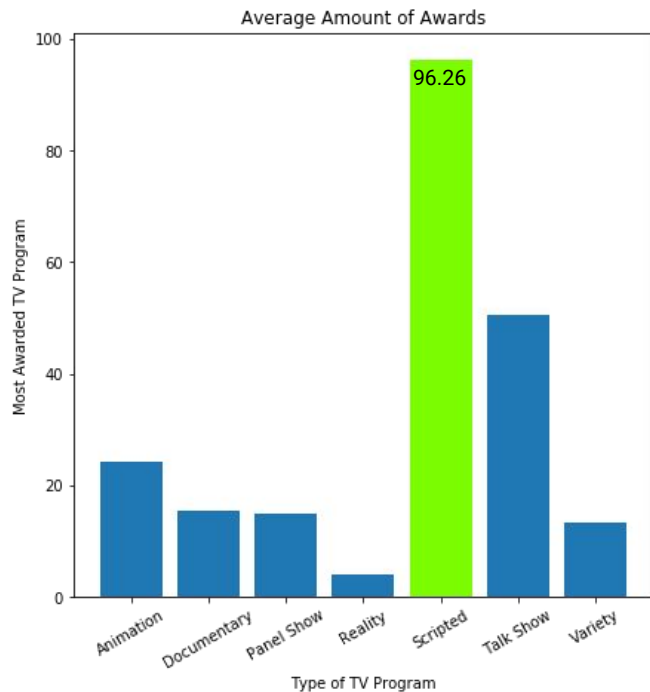

# Who Would've Thought Right?

Avg. Ratings of Each Service

Avg. Awards Exposure by Service

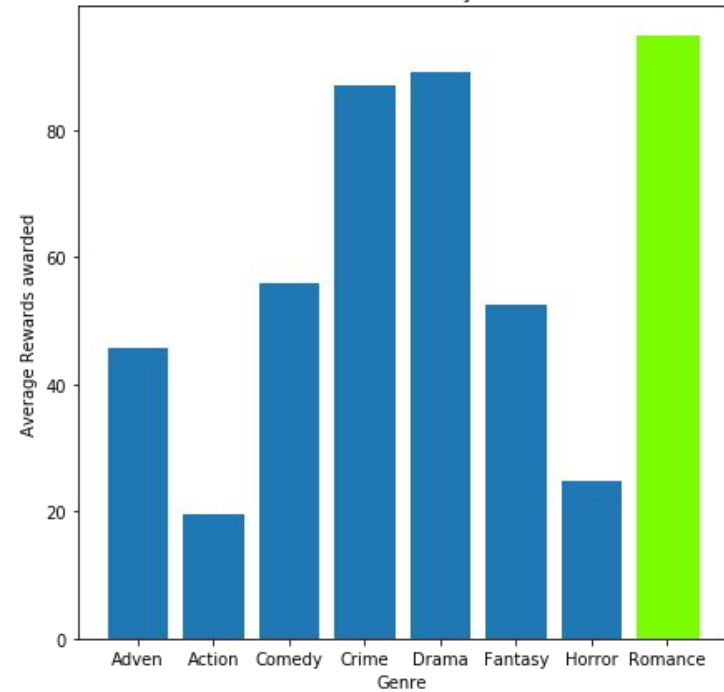

Critics always praise artistic talent

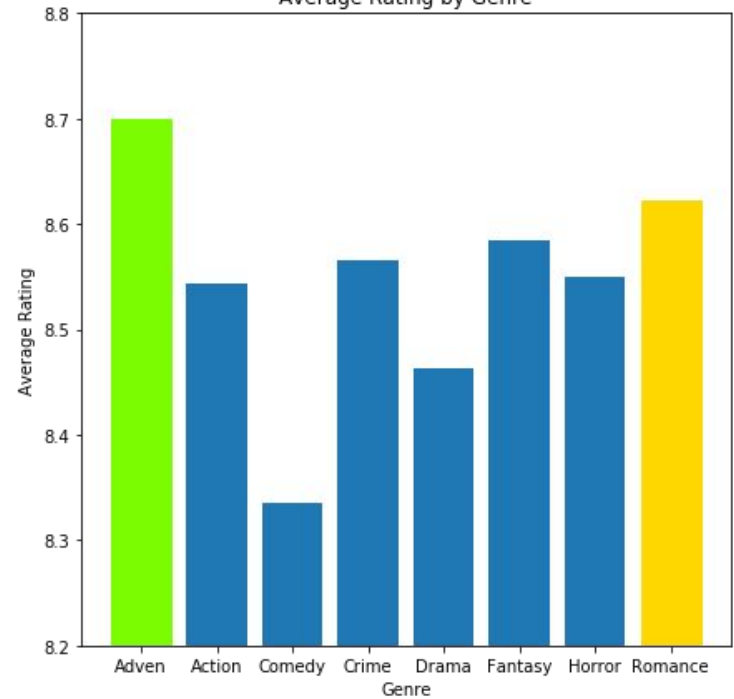

# TV Shows always need a Good Story
